The oil excitement continues to spread in Eastern Kentucky. A company is now preparing to bore in Clark county.

The Diocesan Council at Louisville has approved the plan for dividing the Episcopal Diocese of Kentucky into two Dioceses.

Some of the prisoners in the Frankfort Penitentiary have been making large numbers of counterfeit twenty-five cent pieces.

The Portsmouth Tribune has changed its base slightly. It is now the shape and size of THE LEDGER, but it isn't half as good a paper.

All members of DeKalb Lodge, I. O. O. F., are requested to be present at the hall tonight at 7:30 to attend the Reception of Grand Master W. LaRue Thomas.

"Five years ago I was taken so ill with rheumatism that I was unable to do any work," writes Peter Christensen, Sherwood, Wis. "I took three boxes of Ayer's Pills and was entirely cured. Since that time I always keep them in the house." They are easy to take.

The Paris Kentuckian has this to say of Rev. T. W. Watta, late Pastor of the M. E. Church, South, of this city: "Rev. T. W. Watta, the new Pastor for the Paris Church, is one of the best in the Conference, and married."

REACHING THE PUBLIC

THE NEW METHOD AN AD IN THE PUBLIC LEDGER

The fellow Stevenson, who was arrested some time ago for breaking into stores at Dover, and who skipped his bond, was arrested and brought back here yesterday by Captain E. W. Fitzgerald.

Two men in Glasgow Junction were driven into church by an infuriated steer the other day. This is thought to be the first instance on record in which a thoroughbred Kentuckian ever declined an invitation to "take a horn."

The surviving members of the Eighth Kentucky have organized a reunion association to meet at Irvine next September, at which steps will be taken to erect a monument to the dead soldiers of that county. There are about 250 members of the regiment still alive.

ANOTHER SUICIDE.

Frank Lawwell, an Ogleon, Finds a "Better" Country.

Frank Lawwell, a widower, residing at Stringtown, two miles back of Aberdeen, aged 46 years, having five children, committed suicide some time last night by the laudanum route.

He was in Aberdeen yesterday afternoon and afterward came to this city, where he purchased the poison.

Going back to Aberdeen, he told several of his friends that he was going to suicide, and left them for home. They, taking him at his word, organized a party and started after him. They could not find him last night, but this morning found him under a straw stack with enough laudanum in him to have killed a whole regiment.

He had been drinking, and this is probably the cause.

The story has been revived at Covington that Congressman A. S. Berry is a candidate for the United States Senate.

Yesterday afternoon, while the little son of Mr. William Dooly was playing on East Third street, a little Negro boy threw a rock at him, striking the little fellow over the right eye, and he came very near bleeding to death before a physician could be secured. The little Negro went out immediately on a sprint.

A BEAUTIFUL WEDDING.

It Was Celebrated at St. Patrick's Church This Morning.

The marriage of Mr. Daniel Daly and Miss Margaret Fitzgerald occurred at St. Patrick's Catholic Church this morning at 7 o'clock.

Long before the hour set for the ceremony the ushers, Messrs. Will K. Conley of Covington and Mr. Charles Daly, brother of the groom, were kept busy seating the large crowd, until there was not a nook in the large church that did not hold a human.

Promptly at the appointed hour the wedding party entered the church, and to the march of Mendelssohn, rendered by Miss Josie Fitzgerald of Lexington, a cousin of the bride, they proceeded to the altar, where they were met by the Rev. Father A. T. Ennis, who pronounced them man and wife.

During the ceremony the organist rendered "Thine Own," which made it doubly impressive and beautiful.

The bride was dressed in a tailor suit of cream broadcloth, with hat to match, and carried in her hand a white prayer-book. She is the youngest daughter of Mr. and Mrs. William Fitzgerald of Limestone street.

The groom, formerly of this city, now of Canestoe, N. Y., is the eldest son, and he is to be congratulated on his choice for a life partner.

The happy couple left on the 9:30 train for Cincinnati, where they will take the train for their home in Canestoe, N. Y., followed by the best wishes of all their friends.

Masonic Notice.

By order General Committee, no children under 16 will be admitted to the Reception on Thursday night. Twenty-five hundred invitations have been issued and if children were admitted the Masonic Temple would be crowded to suffocation.

It is further ordered that the Sir Knights must come in full Templar uniform, consisting of coat, chapeau, belt—no words.

The Knights will comply with this order out of respect to the Most Eminent Grand Master and the visiting Commanderies and other Fraternities that will be present.

GABRIEL S. WALL,
Chairman of Committee.

THEY ARE HERE.

We Mean the Quartette Who Got Wood Bros' Hides.

Some time ago Wood Bros., the butchers, lost a large lot of hides from their slaughter-house on the Fleming pike.

Nothing was heard from them until a few days ago, when they got a crew, and Constables Dawson and Coughlin were put on the case.

Constable Coughlin arrested one of them on Wall street in this city several days ago, Constable Dawson got another at Cabin Creek, one at Dover and the last one at Ripley.

The fellow that was arrested at Ripley refused at first to come back without a requisition, but yesterday afternoon came up with the other fellow that was arrested at Dover.

Their names were Peter Clarke, Bill Raika, Lewis Johnson and William Clarke, and they are now enjoying things down at Castle Johnson.

A PAINFUL ACCIDENT.

A Laborer on the Abutment Has His Foot Mashed.

Yesterday afternoon about 4:30, while the workmen were engaged in unloading the heavy stone used in the abutments being built just east of the foot of Limestone street, one of the stones fell across another.

In getting it off, and in a position to slip the stone dressers easy access to, it slipped to one side a little too far.

An Italian laborer was using a crow-bar close by, and the stone slipped on his foot.

The poor fellow stood there in that position for a few moments, when some of his fellow laborers went to his assistance and removed the stone from off his foot.

He was taken to the Grand View Hotel, where Dr. J. H. Samuel dressed the injured member.

It was found to be terribly bruised and very painful to the man, and it will cause him to be laid up for several days.

It is a wonder more of the workmen are not hurt, as they are extremely careless in handling the heavy stone.

FAINE'S CELERY COMPOUND.

ABSOLUTE CURE FOR THE WORST CASES OF RHEUMATISM.

The Plain Language of Mr. Oscar Pike—The Greatest of All Remedies Accomplished His Cure After Many Months of Weakness and Suffering—No Tedious Waiting For Improvement.

Paine's Celery Compound is the one known specific for the cure of rheumatism. And it does not need a tedious trial to prove it.

The effect of this best of remedies is straightforward.

Not a week goes by before the pains of rheumatism diminish.

Thousands of men and women have told of the days and nights of pain and feebleness exchanged in a few weeks for activity and strength.

Paine's Celery Compound has won the reputation of being the remedy "that makes people well." Its good works extend from Oregon to Maine. In every state in the Union there has been piled up by the newspapers and medical journals a tremendous amount of indisputable evidence of the curative power of Paine's Celery Compound over all forms of nervous debility and diseases of the blood. It cures after nature's plan, by affording nutrition of every part of the body, overhauling the worn-out tissues, and supplying new brain and nerve material, sending pure blood through the veins, invigorating the whole system and removing the cause of disease.

Mr. Oscar Pike, a well known resident of Princeton, Maine, recently sent the following unsolicited letter to the proprietors of this wonderful remedy:

"Two years ago I was taken sick with what the doctors called the grip. I was improving when I took on a violent cold and chill. Then rheumatism set in, first in the joints of my shoulders, then down my hands and arms, then all over. Feet, hands and legs swelled. I could not put my hand to my head; could not throw the cloth off my head; could not dress or undress myself, nor get out of my chair without help. For a year and a half I tried all kinds of medicines and preparations, with little or no relief. I was 78 years old. Some one told me to try Paine's Celery Compound. After I had taken three bottles I found a marked improvement. I have now taken twelve bottles, and the result is I eat and sleep well, do my own work, and go about as usual, getting in and out of my carriage without help. I have been tempted to put an article in the local paper for the benefit of those that are afflicted as I have been."

Mr. Pike is well known in this locality. He is the founder and President of the North Washington Agricultural Society and Trotting Association. When he goes for his mail, he says, people ask him what he has been doing that he is improving so late, and he answers as do thousands of others throughout the country—

"Paine's Celery Compound has made me well!"
